3 XI. Washington Mutual in relation to Agricultural 1st Note secured by a 1st deed of trust
4 against the Agricultural Parcel.

5 2. Impairment: Class 1 is impaired, as that term is defined in 11 U.S.C. § 1124, as the result
6 of this Plan

7 3. Treatment: All the Allowed Secured Claims in this Class shall be paid the full amount of

9 Edward Foss, Exchange Bank, Lucia Napoli Cosmeli, Morgan Stanley, Sterling Pacific, U.S. Bank,
10 Victoria Schlechter and Washington Mutual all hold Secured Claims.

11 Payments shall be made under one of the following three alternatives:

12 Under the alternatives, the Residence Parcel, the Chile Parcel and the Agricultural Parcel are
13 dealt with in the same matter. The Residence Parcel and Chile Parcel will be retained. Chile Parcel is
14 subject to a life estate of uncertain length and thus making uncertain the value if any of disposing of this

17 determined pursuant to the pending Adversary Complaint when resolved which should determine the
18 terms of sale and timing of sale. The Houses contend the Houses had a lease in good standing containing
19 a right of first refusal as to any sale by the Debtors. The Debtors contend the lease was not in good
20 standing and even if Houses had a right of first refusal, the Houses did not exercise and perform in a
21 reasonable manner to perfect a purchase. The Fosses contend that the Fosses have an enforceable
22 contract to purchase the Agricultural Parcel.

23 The resolution of the issues surrounding the Agricultural Parcel will not significantly impact
24 the overall success or failure of the Plan.

25 Retention of the Residence Parcel and Chile Parcel will not significantly impact the overall
26 success or failure of the Plan.

1 Alternative One- Licensing of Technology by Freedom Motors, Inc. and Moller
2 International, Inc.

3 Debtor is the controlling shareholder and executive officer of Freedom Motors and of Moller
4 International. Over the last 30 years these entities have spent millions of dollars developing technologies
5 of increasing value as the planet's dependency on the reciprocating engine must be reduced by increasing
6 efficiencies and use of new engines. As described in section III herein, FM and MI are on the verge of
7 participating in a major way in the propulsion revolution. Any meaningful participation, will result in
8 funds flowing through to the Debtors by lease of the Business Parcel, employee compensation and
9 dividends to bring all secured creditors current and pay the other creditors in full. The largest Creditors of
10 FM and of MI are the Debtors. There is no conflict of interest between FM, MI and Debtors with regard
11 to maximizing the revenue to be generated by licensing the technology. The Plan will give the Debtors
12 and in turn FM and MI the breathing space needed to prevent the licensees from taking advantage of the
13 financial pressure on the Debtors.

14 Alternative Two - Sale With Lease Back of Business Parcel

15 Debtors shall sell the Business Parcel, preferably with a lease-back keeping the property and
16 its unique attributes available to FM and MI for a reasonable period of time, in its entirety, with the
17 creditors holding Secured Claims liens' attached to the proceeds of such sale. Unless the creditors holding
18 Secured Claims in this parcel consent to such sale, the net proceeds of such sale must be in excess of the
19 creditors Allowed Secured Claims in the parcel. If there is any concern that the net proceeds of such sale
20 are greater than the creditors Allowed Secured Claims in the parcel, the Debtors will seek an order from
21 the Bankruptcy Court approving such sale.

22 The Debtor will again enter into a Listing Contract on January 4, 2010 with Jim Gray and
23 will seek a Bankruptcy Court order allowing the employment of Jim Gray for the purposes of marketing,
24 listing, and otherwise brokering the sale of the Subject Property. The initial list price for the Subject
25 Property will be at least \$5,000,000.00. The Debtors marketed the property prior to the bankruptcy filing
26 using Jim Gray. The efforts were not successful. The market for selling the property to the University of
27 California or otherwise is believed to be improving. The delay in marketing until the first of year is

1 believed appropriate as improvements in the market are expected and additionally, this is not a preferred
2 alternative.

3 Alternative Three- Sell of Shares in FM and MI

4 Simultaneously with the Debtors efforts to sell the Business Property, the Debtors will
5 actively pursuing after January 4, 2010 selling significant shares owned by the Debtors in Freedom
6 Motors, Inc. and Moller International, Inc. if a reasonable valuation for the shares can be obtained.

7 Commencement of Monthly Payment Amounts

8 As part of any of the above alternatives, Debtor will commence monthly payments beginning
9 on September 1, 2010. The monthly payments to all creditors holding Allowed Secured Claims shall be
10 calculated as follows.

11 First, beginning on the Petition Date and ending on September 1, 2010, the Allowed Secured
12 Claims will accrue interest at the Prime Rate plus 1% ("Floating Rate"). Similarly, on each June 1st
13 anniversary thereafter, the Floating Rate will be adjusted to the Prime Rate plus 1%.

14 Second, the Bank Calculation Claim shall be equal to the amount owed under all the secured
15 claims excluding any (i) accrued and unpaid interest due to a default rate of interest since the inception of
16 the loan and (ii) default fees since the inception of the loan.

17 Third, the dollar amount of the monthly payments to begin on September 1, 2010, and to be
18 continued on the first day of each subsequent month thereafter, shall be calculated as follows:

19
$$\frac{(\text{Bank Calculation Claim}) \times (\text{Floating Rate})}{12} = \text{Monthly Payment Amount}$$

20 **B. Class 2- Tax Claims**

21 1. Classification: Class 2 consists of all Allowed Tax Claims entitled to priority pursuant to
22 Bankruptcy Code § 507(a)(8). The Debtors believe that the only Claims are those of the following
23 agencies: Internal Revenue Service and State of California EDD. The Debtors note that that the State of
24 California EDD seeks payment as a secured creditor by virtue of a lien for taxes pursuant to 11 U.S.C. §
25 507(a)(4).

26 2. Impairment: Class 2 claims are treated in accordance with Section 1129(a)(9)(C) of the
27 Bankruptcy Code and are, accordingly, not impaired for purposes of determining voting rights.

1 3. Treatment: The Debtors believe that there are two (2) Tax Claims and they are from the
2 following agencies: Department of the Treasury, Internal Revenue Service (Ogden UT) whose claim is in
3 the amount of \$372,173.00 and State of CA- EDD whose claim is in the amount of \$11,789.00; both
4 related to payroll taxes owed by Moller International, one of the Debtor's companies. Taxing authorities
5 holding a Tax Claim, to the extent such Claim is an Allowed Claim, shall receive, on account of such
6 Claim, a lump sum payment in full of its Allowed Tax Claim when the sale of the Business Parcel closes.

7 In the event that the Business Parcel does not sell, each holder of a Tax Claim shall receive
8 deferred cash payments on account of such Claim over a period of years, of an aggregate value, as of the
9 Effective Date, equal to the Allowed Amount of such Claim. The period of payment shall commence one
10 year after the Effective Date and continue until a date that is the earlier of (i) the fifth (5th) anniversary of
11 the Effective Date, or (ii) the fifth anniversary of the assessment of the Claim. The deferred cash
12 payments shall be equal to quarterly installments of principal and interest at the Tax Claim Rate, with the
13 first such payment being payable within one year of the Effective Date. Interest on the tax claims will be
14 paid at the rate being paid on 5-year treasury bills at the date of confirmation, plus 2%.

15 **C. Class 3- Administrative Claims**

16 1. Classification: Class 3 consists of all claims for the cost of administration of the Debtors'
17 bankruptcy Estate. Included in this class are all claims for administrative expenses entitled to priority
18 under Bankruptcy Code § 507(a)(2) for the attorneys and other professional persons employed by the
19 Debtors, and all actual and necessary expenses of operating the Debtors business pursuant to Bankruptcy
20 Code § 503(b).

21 2. Impairment: Class 3 is not impaired, as that term is defined in 11 U.S.C. § 1124, as a
22 result of this Plan.

23 3. Treatment: Pursuant to Section 1129(a)(9)(A) Class 3 Allowed Claims will be paid in
24 cash, in full on the later of the Effective Date or the date upon which such claims become Allowed
25 Claims, or as otherwise ordered by the Bankruptcy Court, unless a different treatment is agreed to with
26 the claim holder. Allowed Administrative Claims will be paid from assets of the Estate or the proceeds
27 therefrom. Professionals and entities who may be entitled to allowance of fees and expenses from the

5 1. Classification: Class 4 consists of the holders of Allowed Claims entitled to priority
6 pursuant to Section 507(a) of the Bankruptcy Code other than (i) a Tax Claim entitled to priority pursuant
7 to Section 507(a)(8) of the Bankruptcy Code which is treated in Class 2, and (ii) an Administrative Claim
8 entitled to priority pursuant Section 507(a)(2) of the Bankruptcy Code which is treated in Class 3. The
9 Debtors do not believe there are any General Priority Claims.

11 result of this Plan.

12 3. Treatment: The Debtors do not believe there are any General Priority Claims. Pursuant
13 to Section 1129(a)(9)(A) Class 4 Allowed Claims will be paid in cash, in full on the later of the Effective
14 Date or the date upon which such claims become Allowed Claims, or as otherwise ordered by the
15 Bankruptcy Court, unless a different treatment is agreed to with the claim holder. Allowed Administrative
16 Claims will be paid from assets of the Estate or the proceeds there from.

17 **E. Class 5- General Unsecured, Non-Priority Claims**

18 1. Classification: Class 5 consists of the Allowed Claims of creditors whose claims are not
19 secured by property owned by the Debtors and are not entitled to priority pursuant to Bankruptcy Code §
20 507. The claims that make up Class 5 total approximately \$1,044,978.00.

22 this Plan.

26 Allowed Secured Claims in Class 2, creditors with Allowed Secured Claims in 3, and creditors with
27 Allowed Secured Claims in Class 4 have been paid in full.

1 **V. MEANS FOR IMPLEMENTATION OF THE PLAN**

2 The Debtors are actively involved in the marketing by Freedom Motors, Inc. and Moller
3 International, Inc. to license their technology. Paul Moller has been in research and development
4 relating to piloted road able, air craft and low emission, fuel efficient engines for many years. As
5 with space travel, much new technology has been discovered by Mr. Moller's efforts and the
6 technology has utility in a number of related fields. To finance this technology development,
7 Paul has gone deeply in debt but is on the verge of entering agreements that should solve all the
8 financial issues for years to come. The technology is owned by two corporations in which Paul
9 Moller is the principal shareholders and chief operating officer. These corporations are Freedom
10 Motors, Inc. ("FM") and Moller International, Inc. ("MI"). There are presently a number of
11 bidders for parts of the technology. What is needed is a bit more time for the economy to
12 stabilize and for the bidders to recognize there is a limit to the pressure on Paul.

13 Information about the bidders includes (1) Rotary Echoes, LLC ("RE") Meridian, ID,
14 Al King, Chairman. RE is interested in producing and distributing our Rotapower engine. RE
15 claims to have the funding in place to acquire the rotary engine assets of Freedom Motors. At
16 this time we are putting together a final agreement and seem to have resolved most issues. With
17 a final binding MOU, RE is required to make an advance payment of \$2.5 million. FM expects
18 to determine within the next 30 days whether RE can perform under the emerging MOU.

19 (2) Future Engine Systems ("FES"), Sebring, FL, Dr. Shawn Okun, President. FES is
20 interested in producing and distributing our Rotapower engine. FES has advanced \$475,000
21 (unsecured) as a measure of their interest. Once they have production funding secured (\$30
22 million) they will provide a \$2.5 million initial payment on a \$7.5 million license fee. Freedom
23 Motors is working with Heritage Corporate Services, Inc (our investor relations firm) to secure
24 the funding FES needs. Both FES and Heritage are optimistic that funding will occur shortly.
25 Heritage only recently joined the on-going fund raising effort by FES. FES has raised part of the
26 total funding required, but must have the full amount committed before they can release
27 additional funds to Freedom Motors.

(3) Defense Advanced Research Projects Agency (DARPA), Washington, D.C., Dr. Stephen Waller, Program Manager. Dr. Waller is championing a program within DARPA that would provide sufficient funds to Moller International to prepare for and deliver a demonstration of its Skycar volantor in operation. The gated \$5 million program has earmarked \$2.5 million for the initial military demonstration with an additional \$2.5 million available for follow-up engineering the required effort to accomplish a successful tether-free flight. To help in his lobbying efforts, Dr. Waller requested testimonials on the need for the Skycar volantor in current and anticipated military operations. The outpouring of support has been remarkable.

Alternatively, in January of 2010, the Business Parcel will again be marketed. The Business Parcel was recently on the market and priced at \$5,000,000.00. The value was arrived at in consultation with a Commercial Realtor Jim Gray who has worked in the Davis Commercial Realty for over 25 years. The Business Parcel is encumbered by Business 1st Note held by Exchange Bank and by Business 2nd Note held by Sterling Pacific

The Bankruptcy Tax Act generally provides that the Debtors do not have to recognize income from the discharge of indebtedness. The Debtors do not believe the Plan will cause any adverse tax consequences.

The Debtors will in January of 2010 enter into a Listing contract with Jim Gray and will seek a Bankruptcy Court Order allowing the employment of Jim Gray for the purposes of marketing, listing, and otherwise brokering the sale of the Business Parcel. The initial listing price is uncertain but will likely be in the range of \$5 million to \$6 million.

The primary responsibility for objection to claims shall be with the Reorganized Debtors.

C. Settlement of Claims

3 settling party, and other persons specifically requesting such notice, and if on such date there is no written
4 objection filed, such settlement shall be deemed approved. In the event of a written objection to the
5 settlement, the settlement must be approved by the Bankruptcy Court on notice to the objecting party.

6 **D. Distributions on Account of Disputed Claims**

7 No distributions shall be made on account of a Disallowed Claim or Estimated Claim.

8 **E. Effect of Disallowed Claims on Distributions**

10 until such claim becomes Allowed or Disallowed. Any funds held by the Reorganized Debtors in
11 accordance with this section shall be disbursed by the Reorganized Debtors upon entry of a Final Order
12 resolving such Claim, and, if the particular Claim is Disallowed or Allowed in an amount less than the
13 amount Claimed, the Reorganized Debtors shall recalculate the amount distributable to the holders of
14 Allowed Claims.

15 **F. Penalties and Fines**

16 Except as specifically provided by Final Order of the Bankruptcy Court, no distribution
17 shall be made on account of, any fine, penalty, exemplary or punitive damages, late charges or other
18 monetary charge relating to or arising from any default or breach by Debtors, and any claim on account
19 thereof shall be treated hereunder as such and disallowed to the extent of such fine, penalty, exemplary or
20 punitive damages, late charges or other default-related charge, whether or not an objection is filed to it.

21 **IX. MANAGEMENT OF THE REORGANIZED DEBTORS**

22 The Members of the Debtors shall continue to possess all of the rights conferred upon members of
23 a limited liability company, free of any claims that may have existed prior to confirmation of the Plan,

21 **Estate Assets.** The determination of all questions and disputes regarding title to the assets of the
22 Estate, and determination of all causes of action, controversies, disputes, or conflicts, known or unknown,
